

# World Day for Health & Safety at Work

APRIL  
28<sup>th</sup>

Today, is  
**The world day for health & safety at work.**  
 Our elected representatives of the **Occupational Health & Safety** Committee (CSSCT) demonstrate an ongoing commitment to all the employees.

## Their actions...

The CSSCT intervenes in the following domains:

### Health at work:

Sanitary crisis, Review of the HSE, Psychosocial risks,...

### Safety at work:

Accidents at work, near miss, risks analysis, Building visits, evacuation drills,...

### Working Conditions:

Work organization (Hybrid Working/Flex Office,...), Reorganizations (Internal reorganizations,...)
