

# Representatives who are like me

On June 20<sup>th</sup> & 21<sup>st</sup>, you are going to vote to elect your representatives for the next 4 years. **Why vote for the CFE-CGC ?**

Your **CFE-CGC** elected representatives will listen to you and put their skills at your service during negotiations or CSE meetings, in particular to :

- obtain a wage policy that is consistent with that of the Airbus Group as a whole, and in particular with that of the Aircraft Division.
- enhance the social base of Airbus Beluga Transport beyond the collective agreement for air transport (travel policy, working conditions, etc.)
- defending the collective interests of employees with regard to the management of the company, its economic and strategic development and the continuity of jobs.

You would like to develop your career plans or are considering a move, the **CFE-CGC**, the only trade union organisation present and representative at all Airbus group sites in France, will be able to support and advise you.

In addition, the **CFE-CGC** which manages the AISC at Airbus SAS undertakes to:

- maintain the affiliation of Airbus Beluga Transport to the AISC as soon as the conditions are met
- allow payroll deduction to pay AISC benefits as soon as Airbus Beluga Transport's payroll is managed by the Reward Opérations teams
- improve AISC benefits in line with the commitments made by the **CFE-CGC** Airbus SAS representatives in their election program.
