

Anticipate retirement the CFE-CGC is by your side

You have questions about your rights, your possible choices regarding your retirement:

Legal developments

Specific cases

Retirement insurance quarters

Points Agirc-Arrco,

PERCOL, PERO, taxation

TSA placement possibility

Part times

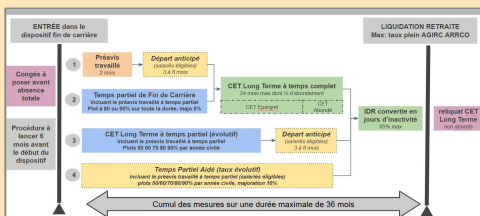

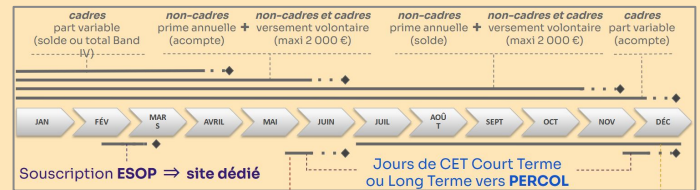

Skills sponsorship

Use of TSA & retirement severance pay

Triggering of measures

Retro-planning

Mutual insurance ...

These topics are complex!

The **CFE-CGC** is by your side, well in advance of this deadline, to advise you on actions in line with your objectives.

The **CFE-CGC** Airbus capitalises on its experience and develops simulation tools.

For personalised support, **make an appointment with your local specialist** from the CFE-CGC retirement network.
