

Success sharing 2024

Toulouse
March 6th 2025

3124 €

This Thursday, March 6th, following Airbus European Committee (SEWC), Airbus Aircraft UES Management convened the success sharing committee. The distribution of economic & operational objectives was as follow:

Economic performance

70%
results from Airbus Group

30%
results Airbus Commercial Aircraft

Operational performance

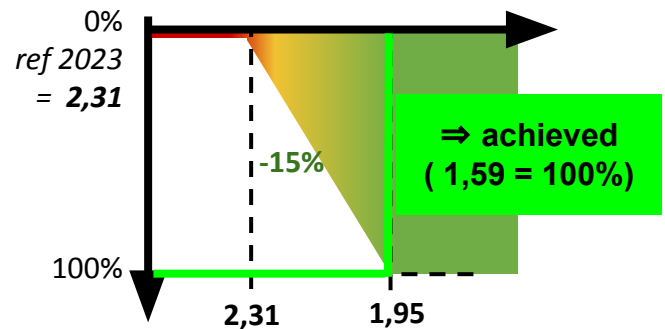

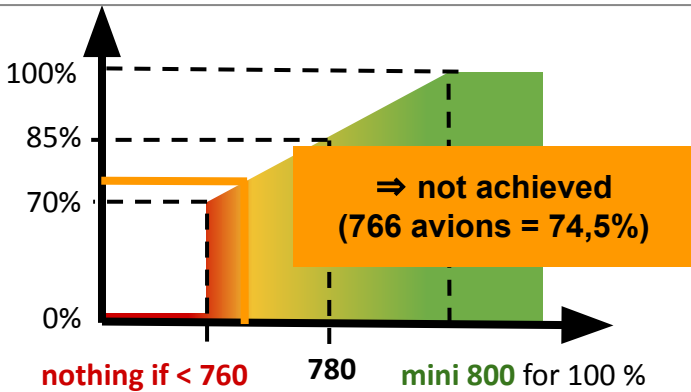

50% : civil aircrafts deliveries by Airbus Commercial Aircraft

50% : accidentology of Airbus Aircraft UES

Objectives 2024

Number of deliveries : **800**

2024 FR1 frequency rate : **1,95**

Given the increase in EBIT carried forward compared with 2023 and the increase number of beneficiaries within the Group, the amount of the 2024 profit-sharing is:

3124 € gross.

- Note:
- The above value corresponds to 12 months of full attendance.
 - Possibility of placement on PERCOL (80% top-up, max. €600) or on PEG.
 - Seniority required to benefit from profit-sharing: 3 months minimum (as of 12/31/24).

We have so much
in common

Airbus Aircraft
